## CREDIT CARD TERMS & AGREEMENT

I authorize Innovative Labeling Solutions to hold this credit card on file until otherwise notified by me or another authorized company representative.

I understand that this card will be charged upon shipment of my order and agree to pay all charges associated with my order.

I also understand that if the order summary/summaries for any order(s) submitted total more than \$2,000, that total will be charged when the order goes into production. Any amount due for overages, freight, or other charges not on the original order summary will be charged at the time of shipment. Should my credit card transaction be declined, I understand that this could delay the production and / or shipment of my order.

This card will also be used for all future orders. In the event that a card transaction is declined, I agree to pay all collection costs incurred to collect the account balance, including court costs, collection fees, and / or attorney fees of not less than 25% of the unpaid balance, plus interest at a rate of 1.5% per month.
